Planning Packet - Special Events
***To ensure a fun, safe, and successful Ropes Course experience, please make sure each person coming to the course reviews and understands all of the items in this planning packet.

***All adult participants must complete and sign the “Informed Consent Form for Adults” at the end of this packet. All minor participants, under age 18, must have their parent or legal guardian complete and sign the “Informed Consent Form for Minors” at the end of this packet. Bring a signed form for each participant to the course on the day of your program.

**What to Expect From Your Ropes Course Experience**

The program you will be participating in is a low and high initiative program. Initiatives are best defined as *activities that teach*. Many of the initiatives are designed so that participants must solve problems as they go. The facilitators will give instruction when needed, but have been trained to let the participants figure things out on their own as much as possible.

The low initiatives are on the ground or low to the ground and are used to develop teamwork, decision-making, problem solving, communication, and leadership skills. The high initiatives require climbing up to elements that are high off the ground. These initiatives are geared towards personal growth, goal setting, self-accomplishment, and self-confidence. Participants need to come prepared to focus on these aspects.

On most of the high initiatives, participants are belayed by a facilitator on the ground, meaning the two are attached by a rope. When a participant is ready to come down, whenever that is (it is their choice) then the facilitator will slowly lower them to the ground. Everyone participating on the high initiatives course is required to wear climbing harnesses and helmets.

**Physical Activity**

The activities may require some bending, kneeling, and lifting. Participants should be in fair physical condition. All persons are strongly encouraged to participate, and we will accommodate those with disabilities to the best of our abilities. Please notify the program coordinator in advance of any special needs. Confidentiality will be maintained.

**A Learning Experience**

Your visit to the USU Ropes Course is more than just a fun activity; there is a purpose for your visit. The Ropes Course Staff will be asking questions throughout the activities, as well as tying goals and objectives in with the different activities. At the end of the program, we will talk as a group about the experiences and lessons learned.

**Challenge by Choice**

No one will be forced to participate in any of the activities. We believe in “Challenge by Choice.” Participants are encouraged to get out of their comfort zone and go *one step* further than they think they can go, however, the choice is up to them.
For your safety and the safety of all participants, these policies must be followed.

What to wear (and what not to wear):
Please understand, you will not be allowed to participate if you do not follow the dress code.

- Clothing should be loose, comfortable, casual, durable and able to get dirty. Shorts must be knee-length, shirts must have sleeves and cover the midriff.
- Shoes should be flat heeled, comfortable and suitable for running and jumping.
- Shoelaces must be tied and double knotted.
- No slip-on shoes or sandals allowed.
- All jewelry will need to be removed prior to conducting initiatives. This includes watches, bracelets, necklaces, rings, earrings, and face and body jewelry.
- Eyeglass wearers should take the necessary precautions to insure their glasses do not fall by removing the glasses or wearing a restraining strap.
- Participants should wear sunscreen and a brimmed hat for sun protection.
- Participants should bring a jacket or long sleeve shirt, as necessary, based on the possibility of inclement weather.

What to bring (and what not to bring):

- Each participant needs to bring their own water bottle, sunscreen, and brimmed hat.
- Because of the choking hazard, gum and candy are only allowed during break times.
- For safety considerations, no alcoholic beverages are allowed on the premises at any time.

What you agree to:

- No horseplay will be tolerated. Safety is our number one concern.
- For health consideration of others and fire control concerns, no smoking is allowed on the premises at any time.
- Participants must comply with all state and federal laws
- Participants must abide by all policies regarding the use of the premises and follow all instructions of the Ropes Course Staff.
- All participants 18 years of age and over must complete and sign the “Informed Consent Form for Adult Participants” prior to participating in any of the activities.
- All participants under 18 years of age must have a parent or legal guardian complete and sign the “Informed Consent Form for Minor Participants” prior to participating in any of the activities.
- The USU Ropes Course Staff, Utah State University, and the University Inn & Conference Center reserve the right to refuse service to anyone and to take such action as may be necessary in the event that any participant or the sponsoring group is in violation of any of the forgoing guidelines and expectations.
